

LEASE AGREEMENT

STATE OF TEXAS, COUNTY OF TARRANT

THIS LEASE AGREEMENT, made and entered into as of the Effective Date (as defined in Paragraph 25(g)), by and between EastGroup Properties, L.P., a Delaware limited partnership, hereinafter referred to as "Landlord", and TDIndustries, Inc., a Texas Corporation, hereinafter referred to as "Tenant";

WITNESSETH:

1. PREMISES AND TERM. In consideration of the obligation of Tenant to pay Rent as herein provided, and in consideration of the other terms, provisions and covenants hereof, Landlord hereby demises and leases to Tenant, and Tenant hereby takes from Landlord, approximately 22,127 square feet of that certain building (the "Building") located at 2601 Northern Cross Blvd, Fort Worth, Texas 76137, County of Tarrant, State of Texas, the real property of which is more particularly described on Exhibit "A" attached hereto and incorporated herein by reference, together with all rights, privileges, easements, appurtenances and immunities belonging to or in any way pertaining thereto, and together with the Building and other improvements situated or to be situated thereon (the said portion of the project's real property, Building and improvements being hereinafter referred to as the "Premises").

Landlord and Tenant acknowledge that the Premises is part of a multi-tenant project (the "Project"). Expenses covering the buildings in the Project for property taxes and assessments, insurance, common area utilities and maintenance, and management fees shall be prorated on a square foot basis. The Premises proportionate share of these expenses is 22,127 SF/ 92,250 SF or 23.99 %. The Project proportionate share of these expenses is 22,127 SF/ 446,420 SF or 4.96%.

TO HAVE AND TO HOLD the same for a term commencing on August 1, 2017 (the "Commencement Date"), and ending on December 31, 2027 (the "Term").

In connection with the execution of this Lease, Landlord agrees that Tenant shall have access to the Premises at least one (1) month prior to the Commencement Date for the purpose of installing its fixtures, furniture and equipment. During this time, Tenant shall not interfere with Landlord's ability to complete the required improvements and such access shall be expressly subject to all of the terms and conditions of this Lease, except that the obligation to pay Base Rent and Additional Rent shall not commence until August 1, 2017 and shall be in accordance to paragraph 2 of the Lease. Within ten (10) days after completion of improvements to the Premises, Tenant shall submit to Landlord in writing a punch list of items needing completion or correction. Landlord shall use reasonable efforts to complete such items within thirty (30) days after receipt of such notice.

Landlord and Tenant further agree that Tenant's obligations, privileges, covenants and agreements contained in this Lease shall be operative and effective regardless of whether the Premises are ever occupied by Tenant and whether or not this Lease is fully exhibited.

2. RENT AND SECURITY DEPOSIT

(a) As part of the consideration for the execution of this Lease, and for the Lease and use of the Premises, Tenant covenants and agrees and promises to pay as net rental to Landlord, or Landlord's assignees during the Term hereof (collectively, "Base Rent") as follows:

One such monthly installment of \$13,442.15 plus the other monthly charges set forth in Paragraph 2(c) below (initially \$3,466.56) per month, shall be due and payable upon execution of the Lease Agreement and subsequent monthly installments for an amount as indicated above shall be due and payable in advance, without demand, deduction or set off, on or before the first day of each succeeding calendar month succeeding the Commencement Date, except that all payments due hereunder for any fractional calendar month shall be prorated.

(b) In addition, Tenant agrees to deposit with Landlord the sum of \$18,164.02, which shall be held by Landlord, without obligation for interest, as security for the performance of Tenant's covenants and obligations under this Lease, it being expressly understood and agreed that such deposit is not an advance rental deposit or a measure of Landlord's damages in case of Tenant's default. Upon each occurrence of an event of default by Tenant, Landlord may, from time to time, without prejudice to any other remedy provided herein or provided by law, use such fund to the extent necessary to make good any arrears of Rent or other payments due Landlord hereunder, and any other damage, injury, expense or liability caused by such event of default. On demand, Tenant shall pay to Landlord the amount that will restore the security deposit to its original amount. Although the security deposit shall be deemed the property of the Landlord, any remaining balance of such deposit shall be returned by Landlord to Tenant at such time after termination of this Lease that all of Tenant's obligations under this Lease have been fulfilled.

(c) Tenant agrees to pay to Landlord, as additional rental, its proportionate share (as defined in Paragraph 1 herein) of Operating Expenses in each calendar year. Operating Expenses include (i) Taxes (hereinafter defined) pursuant to Paragraph 4(a) below, (ii) the cost of all insurance relating to the Building or Buildings of which the Premises are a part, (iii) the cost of utilities payable by Landlord pursuant to Paragraph 9 below, and the cost of any common area charges payable by Landlord in accordance with Paragraph 5 below, (iv) the cost of management services (shall not exceed three percent (3%) of gross revenue) and (v) any other costs related to the ownership, operation, repair and maintenance of the Project. Base Rent, Operating Expenses and any other costs which Landlord is entitled to collect under this Lease are hereinafter referred to collectively as "Rent". The amount of the initial monthly Base Rent and the initial monthly Operating Expense escrow payments are as follows:

1.) Initial Base Rent as set forth in Paragraph 2 (a)	\$ 13,442.15
2.) Tax Escrow	\$ 2,323.34
3.) Insurance Escrow	\$ 147.51
4.) Common Area and Management Fee Escrow	\$ 995.72

TOTAL INITIAL MONTHLY RENTAL PAYMENT **\$ 16,908.72**

Notwithstanding anything to the contrary contained in this Lease, Landlord agrees that commencing on the first (1st) day of the second (2nd) full calendar year following the calendar year in which the Commencement Date occurs, Tenant's proportionate share of all Controllable Operating Expenses (which are defined below) shall not increase by more than six percent (6%) per year on a compounded cumulative basis over the actual Controllable Operating Expenses for the first (1st) full calendar year following the calendar year in which the Commencement Date occurs. The term "Controllable Operating Expenses" means all Operating Expenses except expenses relating to the cost of utilities, insurance, Taxes, the cost of management services and costs resulting from the acts or omissions of Tenant, its agents, employees or contractors. During each month of the Term of this Lease, on the same day that Base Rent is due hereunder, Tenant shall escrow with Landlord an amount equal to 1/12 of the estimated annual cost of its proportionate share of such Operating Expenses. The monthly escrow payments shall be adjusted annually to reflect the then current projected cost of all Operating Expenses. Landlord shall annually reconcile Tenant's proportionate share of Operating Expenses against Tenant's total annual escrow payments within ninety (90) days of year end. If Tenant's total annual escrow payments were insufficient to cover Tenant's share of the actual annual Operating Expenses, Tenant shall pay the difference to Landlord within thirty (30) days after demand. If Tenant's annual escrow payments were in excess of Tenant's share of the actual Operating Expenses, Landlord shall retain such excess and credit it against Tenant's future liabilities for monthly rent within thirty (30) days, or if the Lease has expired or terminated, refund such excess to Tenant.

(d) Tenant shall have the right, at its expense and upon written notice given to Landlord no later than sixty (60) days after receipt of the annual reconciliation statement from Landlord, to make an audit of all of Landlord's bills and records relating to Operating Expenses for the immediately preceding calendar year. Upon such written request of Tenant, Landlord shall make available to Tenant, during normal business hours, at the location where Landlord's books and records are kept, such information as Tenant shall reasonably request. Landlord shall cooperate reasonably with

Tenant in its explanation of its bills and records. Tenant agrees that it will treat such information confidentially and shall not divulge such information obtained from Landlord to any other person, firm, corporation, business organization, entity, tenant or occupant at any time. Tenant shall have the right to retain the services of an independent certified public accountant or lease audit firm for such audit; provided, however, Tenant shall not retain any such auditor or audit firm on a contingency fee basis. Tenant shall complete any such audit of Operating Expenses within sixty (60) days after the date of Tenant's audit notice and shall deliver to Landlord the written results of such audit within ten (10) days after Tenant receives the same. If such audit discloses an overpayment by Tenant, Landlord shall credit such amount against Tenant's future obligations for monthly rent within thirty (30) days. If such audit discloses additional amounts due from Tenant, Tenant shall pay such amounts within thirty (30) days of completion of such audit. If such audit discloses an overpayment by Tenant in excess of five percent (5%) of the amount Tenant should have paid, Landlord shall reimburse Tenant for the reasonable out-of-pocket third party expenses incurred by Tenant in conducting such audit not to exceed \$2,000.00.

3. USE. The Premises shall be used only for normal and customary office and warehouse use and for such other lawful and permitted purposes as may be incidental thereto. Tenant shall, at its own cost and expense, obtain any and all licenses and permits necessary for such use, shall at all times maintain the Premises in a clean, healthful and safe condition and comply with all governmental laws, codes, ordinances, regulations or any other applicable authorities with regard to the use, condition or occupancy of the Premises, including, without limitation, all requirements of and regulations issued under the provisions of the Texas Architectural Barriers Act, TX Govt. Code Chap. 469, and the Americans with Disabilities Act, 42 U.S.C. 12101 et seq. Tenant shall be responsible, at Tenant's sole expense, for the correction, prevention and abatement of nuisances in or upon, or connected with the Premises. Tenant shall not permit any objectionable or unpleasant odors, smoke, dust, gas, noise or vibrations, or pest infestations to emanate from the Premises, nor take any other action that would constitute a nuisance or would disturb, unreasonably interfere with, or endanger Landlord or any other tenants of the Building or Project of which the Premises are a part.

Landlord consents, to Tenant's storage of the following: gasoline; diesel; kerosene; propane; refrigerant; acetylene; spray paint; paint; solvents; oil; primer and glue, which may be explosive or highly inflammable, provided Tenant stores and handles such materials in compliance with all applicable laws. Tenant will not permit the Premises to be used for any purpose which would render the property or liability insurance thereon void or the insurance risk more hazardous or cause the State Board of Insurance or other insurance authority to disallow any sprinkler credits.

Tenant and its employees, agents, customers, invitees, and/or licensees shall have the non-exclusive use of 60 unreserved parking spaces in those areas designated for nonreserved parking. Landlord reserves the right, in its absolute discretion, to determine whether such parking facilities are becoming crowded, in such event, to allocate parking spaces among Tenant and other tenants in the Project. In the event of any such allocation, in no event shall Tenant be assigned less than 60 nonreserved spaces. In addition, Tenant shall have the exclusive use of the fenced area depicted on Exhibit "B" attached hereto and may, at its cost, stripe additional parking spaces in such area as shown. Landlord shall not be responsible for enforcing Tenant's parking rights against any third parties.

4. TAXES AND OTHER ASSESSMENTS.

(a) Landlord agrees to pay all taxes, assessments or governmental charges of any kind and nature whatsoever (hereinafter collectively referred to as "Taxes"), levied or assessed against the Premises, and/or the land and/or improvements of which the Premises are a part, and all taxes of whatsoever nature that are imposed in substitution for or in lieu of any such taxes, assessments, or governmental charges, and Tenant shall be liable for its proportionate share of the same.

(b) If at any time during the Term of this Lease, there shall be levied, assessed or imposed on Landlord a capital levy or other tax directly on the rents received therefrom and/or a margin tax or franchise tax, assessment, levy or charge measured by or based, in whole or in part, upon such rents for the Premises and/or the land and/or improvements of which the Premises are a part, including, but not limited to, any franchise tax imposed under Chapter 171 of the Texas Tax Code, then such taxes, assessments, levies or charges shall be deemed to be included within the term "Taxes" for the purposes hereof.

(c) The Landlord shall have the right to employ a tax consulting firm to attempt to assure a fair tax burden on the Premises within the applicable taxing jurisdictions. Tenant agrees to pay its proportionate share of the cost of such consultant as additional rental.

(d) Tenant shall be liable for all taxes levied or assessed against any personal property or fixtures placed in the Premises. If any such taxes are levied or assessed against Landlord or Landlord's property and (i) Landlord pays the same or (ii) the assessed value of Landlord's property is increased by inclusion of such personal property and fixtures and Landlord pays the increased taxes, then, upon demand Tenant shall pay to Landlord such taxes.

(e) To the extent permitted by applicable law, Tenant hereby waives the provisions of §41.413 of the Texas Property Tax Code, or any successor thereto; provided, however, Tenant shall have the option to contest taxes assessed to the Premises or Project in any year in which such taxes are not contested by Landlord.

5. MAINTENANCE AND REPAIRS.

(a) Tenant, at its own cost and expense, shall (i) maintain all parts of the Premises in good condition, (ii) promptly make all necessary repairs and replacements, including, but not limited to, windows, glass and plate glass, exterior doors, interior walls and finish work, interior doors and floor covering, utility connections, downspouts, gutters, heating and air conditioning systems, light bulbs and ballasts, truck doors, dock bumpers, dock lights, dock levelers, plumbing work and fixtures, termite and pest extermination, regular removal of trash and debris, and dedicated sewer lines, and (iii) keep the parking areas, driveways, truck aprons, and grounds surrounding the Premises in a clean and sanitary condition.

(b) Tenant shall, at its own cost and expense, enter into a regularly scheduled preventive maintenance/service contract with a maintenance contractor for servicing all hot water, heating and air conditioning systems and equipment within the Premises. The maintenance contractor and the contract must be approved by Landlord. The service contract must include all services outlined in Article 31B herewithin and must become effective (and a copy thereof delivered to Landlord) within thirty (30) days of the date Tenant takes possession of the Premises. Prior to entering the Premises, Tenant's maintenance contractor shall provide evidence of liability insurance naming Landlord, its directors, officers, employees, agents and affiliates as additional insureds and workers compensation insurance including an endorsement waiving subrogation against Landlord, its directors, officers, employees, agents and affiliates, in amounts acceptable to Landlord. Notwithstanding anything contained herein to the contrary, Tenant may provide the services outlined in Article 31B itself in lieu of entering into a service contract provided such services are performed by an employee of Tenant possessing a Texas Department of Licensing and Regulation Air Conditioning and Refrigeration Contractor License, and provided Tenant provides evidence of liability and workers compensation insurance and endorsements as set forth above.

(c) Landlord shall maintain the roof, foundation and the structural soundness of the exterior walls of the Building of which the Premises are a part in good repair, reasonable wear and tear excepted, and perform the landscape replacement and maintenance, exterior painting, common water and sewage line plumbing, paving and any other common maintenance items, and Tenant shall be liable for its proportionate share of the cost and expense of such repair, replacement, and maintenance. Landlord agrees that such costs shall not include any capital costs for roof, foundation, Building structural, or parking lot replacement or work occasioned by fire, windstorm or other casualty to the extent of net insurance proceeds received by Landlord with respect thereto. Notwithstanding the foregoing, however, to the extent any repair or replacement is necessitated by the acts or omissions of Tenant, its officers, directors, employees, agents, licensees, assignees or subtenants, Tenant shall be liable for the entire cost of such repair or replacement.

6. ALTERATIONS. Tenant shall not make any alterations, additions or improvements to the Premises without the prior written consent of Landlord. If Landlord consents to Tenant's contractors doing the work, Landlord may require, at Landlord's sole option, that Tenant provide, at Tenant's expense, a lien and completion bond in an amount equal to one and one half (1-1/2) times any and all estimated costs of improvements, additions or alterations in the Premises to insure Landlord against any liability or mechanic's and materialmen's liens which may arise in accordance with Paragraph 23 of this Lease and to insure completion of the work. Prior to entering the Premises, Tenant's contractor shall provide evidence of liability insurance naming Landlord, its directors, officers, employees, agents and affiliates as additional insureds, workers compensation insurance including an endorsement waiving subrogation against Landlord, its directors, officers, employees, agents and affiliates, and such other insurance and in such amounts as Landlord may require. Tenant may, with prior notice to Landlord, at its own cost and expense and in a good workmanlike manner, make such minor alterations, additions or improvements or erect, remove or alter such partitions, or erect such shelves, bins, machinery and trade fixtures it may deem advisable, without altering the basic character of the Building or improvements and without overloading or damaging such Building or improvements, and in each case complying with all applicable governmental laws, ordinances, regulations, and other requirements. All alterations, additions, improvements and partitions erected by Tenant shall be and remain the property of Tenant provided,

however, that Tenant shall, if Landlord so elects after written notice to Tenant, remove all alterations, additions, improvements, and partitions erected by Tenant and restore the Premises to their original condition by the date of termination of this Lease; otherwise such improvements shall become the property of the Landlord as of the date of the end of the Term of this Lease (as such term may be extended pursuant to any renewals, extensions or holdover period) and shall be delivered up to the Landlord with the Premises. All shelves, bins, machinery and trade fixtures installed by Tenant may be removed by Tenant prior to the termination of this Lease if Tenant so elects, and shall be removed if required by Landlord after written notice to Tenant; upon any such removal Tenant shall restore the Premises to their original condition. All such removals and restoration shall be accomplished in good workmanlike manner so as not to damage the primary structure or structural qualities of the Building and other improvements situated on the Premises. Tenant shall indemnify and hold Landlord harmless from and reimburse Landlord for and with respect to, any and all costs, expenses (including reasonable attorneys' fees), demands, claims, causes of action and liens, arising from or in connection with any changes, modifications, alterations, additions or improvements to, or installation of any equipment or machinery (other than office equipment and unattached personal property) on, the Premises performed by or on behalf of Tenant.

7. SIGNS. Tenant shall have the right to install a sign upon the exterior of the Building only when first approved in writing by Landlord and subject to any applicable governmental laws, ordinances, regulations, deed restrictions and architectural standards reasonably set forth by Landlord, and so long as such signs comply with the requirements set forth in Paragraph 31C below. Tenant shall remove all such signs upon the termination of this Lease. Such installations and removals shall be made in such manner as to avoid injury to or defacement of the Building and other improvements. Tenant shall repair any injury or defacement, including without limitation discoloration, caused by such installation and/or removal, if so required by Landlord.

8. INSPECTION. Landlord and Landlord's agents and representatives shall have the right to enter and inspect the Premises at any reasonable time during business hours after prior notice to Tenant (provided, however, that no notice shall be required in the event of emergency) for the purpose of ascertaining the condition of the Premises, determining if Tenant is performing its obligations hereunder, performing the repairs that Landlord is obligated or elects to perform hereunder, making repairs to adjoining space, or curing any Defaults of Tenant hereunder that Landlord elects to cure. Commencing six (6) months prior to the end of the Term hereof, Landlord and Landlord's agents and representatives shall have the right after twenty-four (24) hours notice to Tenant to enter the Premises during business hours for the purpose of showing the Premises and shall have the right to erect on the Premises a suitable sign indicating that the Premises are available. Tenant shall give written notice to Landlord at least thirty (30) days prior to vacating the Premises and shall arrange to meet with Landlord for a joint inspection of the Premises prior to vacating. In the event of Tenant's failure to give such notice or arrange such joint inspection, Landlord's inspection at or after Tenant's vacating the Premises shall be conclusively deemed correct for purposes of determining Tenant's responsibility for repairs and restoration.

9. UTILITIES. Upon the Commencement Date hereof, Landlord agrees to provide normal water, sewer and electricity service connections to the Premises, which connections shall hereafter be maintained by Tenant. Tenant shall pay for all water, gas, heat, light, power, telephone, sewer, sprinkler charges and other utilities and services used on or at the Premises, and any maintenance or inspection charges for utilities. Tenant shall pay its proportional share of all charges for jointly metered and common area utilities. Landlord shall not be liable for any interruption or failure of utility services on the Premises; provided, however, if any utility service to the Premises is interrupted for any period greater than three (3) consecutive business days after Landlord's receipt of notification of such interruption from Tenant, and such interruption is due solely to Landlord's negligence or willful misconduct and prevents Tenant's use of the Premises for the purposes allowed by this Lease, then as liquidated damages for such interruption, Rent payable hereunder shall be abated for each day after such three (3) business day period that such interruption continues.

In the event water is not separately metered to Tenant, Tenant agrees that it will not use water and sewer for uses other than normal domestic restroom and kitchen usage; and, Tenant does further agree to reimburse Landlord for the entire amount of common water (and additional sewer costs, if any) as additional rental if, in fact, Tenant uses water and sewer for uses other than normal domestic restroom and kitchen uses without first obtaining Landlord's written permission. Furthermore, Tenant agrees in such event to install, at its own expense, a submeter to determine Tenant's usage.

10. ASSIGNMENT AND SUBLETTING. Tenant shall not have the right to assign this Lease or to sublet the whole or any part of the Premises without the prior written consent of the Landlord, which consent may not be unreasonably withheld. Notwithstanding any permitted assignment or subletting, Tenant shall at all times remain directly, primarily and fully responsible and liable for the payment of the Rent herein specified and for compliance with

Initials: D.H. MK
Landlord Tenant

all of Tenant's other obligations under the terms, provisions and covenants of this Lease. Upon the occurrence of an "event of default" as hereinafter defined, if the Premises or any part thereof are then assigned or sublet, Landlord, in addition to any other remedies herein provided or provided by law, may at its option collect directly from such assignee or subtenant all rents becoming due to Tenant under such assignment or sublease and apply such rent against any sums due to Landlord from Tenant hereunder, and no such collection shall be construed to constitute a novation or a release of Tenant from the further performance of Tenant's obligations hereunder. If Landlord consents to a proposed assignment or sublease, then Landlord will have the right to require Tenant to pay to Landlord a sum equal to (a) one-half of any Rent or other consideration paid to Tenant by any proposed transferee that is in excess of the Rent allocable to the transferred space then being paid by Tenant to Landlord pursuant to this Lease; (b) one-half of any other profit or gain realized by Tenant from any such sublease or assignment; and (c) Landlord's reasonable attorneys' fees, consultant fees, and costs incurred in connection with negotiation, review, and processing of the transfer. All such sums payable will be payable to Landlord at the time the next payment of Base Rent is due.

11. LANDLORD'S INSURANCE: FIRE AND CASUALTY DAMAGE.

(a) Tenant agrees to reimburse Landlord for its proportionate share of the cost to maintain property insurance covering the Premises in an amount equal to the full replacement cost thereof, insuring against the perils of Fire, Lightning, Extended Coverage, Vandalism and Malicious Mischief, extended by Special Extended Coverage Endorsement to insure against all other risks of direct physical loss, such coverages and endorsements to be as defined, provided and limited in the standard bureau forms prescribed by the insurance regulatory authority for the State of Texas for use by insurance companies admitted in Texas for the writing of such insurance on risks located within Texas. Such insurance shall cover those risks of loss that a reasonable and prudent property owner of a like or similar building located in Dallas, Texas would insure against, including liability and loss of rents coverage. Subject to the provisions of subparagraphs 11(b), 11(d) and 11(e) below, such insurance shall be for the sole benefit of Landlord.

(b) If the Premises should be damaged or destroyed by any peril covered by the insurance to be provided by Landlord under subparagraph 11(a) above, Tenant shall give immediate notice thereof to Landlord and Landlord shall at its sole cost and expense thereupon proceed with reasonable diligence to rebuild and repair the Premises to substantially the condition in which they existed prior to such damage or destruction, except that Landlord shall not be required to rebuild, repair or replace any part of the partitions, fixtures, additions and other improvements which may have been placed in, on or about the Premises by Tenant. Unless the damage or destruction is due to the negligence or fault of Landlord, Tenant shall pay to Landlord upon demand Tenant's proportionate share of any applicable deductible amounts specified under such insurance. The Rent payable hereunder shall abate or be reduced by reason of the damage or destruction, but only in the proportion that the damage or destruction prevents or materially interferes, in the parties' reasonable determination, with Tenant's use of the Premises for the intended purpose hereunder. In the event that Landlord has not completed the repair or restoration of the Premises within one hundred eighty (180) days from the date of said loss or casualty, and provided such delay is not caused by Tenant, its agents or contractors, Tenant shall have the right to terminate this Lease upon written notice to Landlord given after such 180 day period but prior to the completion of such repair or restoration.

(c) If the Premises should be damaged or destroyed by a casualty other than a peril covered by the insurance to be provided under subparagraph 11(a) above, and the casualty or loss was the result of an action or failure to act by Tenant or Tenant's employees, agents, guests, customers, representatives or invitees, Tenant shall be responsible for the reasonable cost to rebuild and repair the Premises to substantially the condition in which they existed prior to such damage or destruction.

(d) Other than the improvements and build-out performed by Landlord as a condition to Tenant's occupancy of the Premises, Tenant covenants and agrees to maintain insurance on all alterations, additions, partitions and improvements erected by, or on behalf of, Tenant, and all other property of Tenant located in, on or about the Premises in the amounts set forth in Paragraph 12 below.

(e) Notwithstanding anything herein to the contrary, in the event the holder of any indebtedness secured by a mortgage or Deed of Trust covering the Premises requires that the insurance proceeds be applied to such indebtedness as a result of total loss or constructive total loss of the Premises, then the Landlord shall have the right to terminate this Lease by delivering written notice of termination to Tenant within fifteen (15) days after such requirement is made by any such holder whereupon all rights and obligations hereunder shall cease and terminate. The insurance proceeds arising out of any loss which is not a total loss or a constructive total loss shall be applied by Landlord in the manner prescribed in subparagraph 11(b) above.

(f) Notwithstanding any provision to the contrary contained herein, each party hereto hereby releases any and every claim which arises or may arise in its favor and against the other party hereto and/or such party's agents, directors, officers, shareholders, partners, employees and affiliates during the Lease Term or any extension or renewal thereof for any and all injury, loss or damage to persons or property (regardless of whether such injury, loss or damage is the result of or caused by the negligent acts or omissions of the released party or any strict liability) arising from any cause that (a) would be insured against under the terms of any property or workers compensation insurance required to be carried hereunder; or (b) is insured against under the terms of any property or workers compensation insurance actually carried, regardless of whether it is required hereunder. Said waivers shall be in addition to, and not in limitation or derogation of, any other waiver or release contained in this Lease with respect to any injury, loss or damage to persons or property of the parties hereto. Each party hereto hereby agrees immediately to give to each insurance company which has issued to it policies of property or workers compensation insurance written notice of the terms of said mutual waivers, if necessary, and to have said insurance policies properly endorsed, if necessary, to prevent the invalidation of said insurance coverages by reason of said waivers.

12. LIABILITY; TENANT'S INSURANCE.

(a) Unless caused by Landlord's gross negligence or willful misconduct, Landlord shall not be liable to Tenant or to Tenant's officers, directors, employees, agents, licensees, or visitors, or to any other person whomsoever, for any injury, loss or damage (regardless of whether such injury, loss or damage is caused by or arises out of Landlord's negligence or the negligence of any employee or agent of Landlord or any strict liability) to person or property (i) due to the Building or the land or any part thereof becoming out of repair or by defect in or failure of pipes or wiring, or by the backing up of drains or by the bursting or leaking of pipes, faucets and plumbing fixtures or by gas, water, steam, electricity or oil leaking, escaping or flowing into the Premises, or (ii) that may be occasioned by or through the acts or omissions of other tenants in the Building or of any other persons whatsoever, or (iii) that may be occasioned by theft, fire, act of God, public enemy, injunction, riot, insurrection, war, court order, requisition or order of governmental authority, or any other matter beyond the control of Landlord. Tenant agrees that all Tenant's property shall be at the risk of Tenant only, and that Landlord shall not be liable for any loss or damage thereto or theft thereof (regardless of whether such loss, damage or theft is caused by or arises out of Landlord's negligence or the negligence of any employee or agent of Landlord or any strict liability), except where caused by the gross negligence or willful misconduct of Landlord. Tenant agrees to indemnify Landlord, its agents, directors, officers, shareholders, partners, employees and affiliates, and hold them harmless from any losses, liabilities, damages, costs and expenses (including attorneys' fees), arising out of Tenant's use and occupancy of the Premises or from any activity, work, or thing done, permitted or suffered by Tenant in or about the Premises or due to any other act or omission of Tenant, its subtenants, assignees, invitees, employees, contractors and agents. The furnishing of insurance required hereunder shall not be deemed to limit Tenant's obligations under this Paragraph. Tenant's obligations pursuant to the foregoing indemnity shall survive the expiration or sooner termination of this Lease. Subject to the waiver of claims contained in Paragraph 11(f) above and in this Paragraph 12(a), Landlord agrees to indemnify Tenant, its agents, directors, officers, shareholders, partners, employees and affiliates, and hold them harmless from any losses, liabilities, damages, costs and expenses (including attorneys' fees), arising out of any act or omission of Landlord, its employees or agents. The furnishing of insurance required hereunder shall not be deemed to limit Landlord's obligations under this paragraph. Landlord's obligations pursuant to the foregoing indemnity shall survive the expiration or sooner termination of this Lease.

(b) Tenant shall procure and maintain throughout the Term of this Lease: (i) a commercial general liability insurance policy, including insurance against assumed or contractual liability under this Lease, for liability arising out of Tenant's operations in, and the use, occupancy or maintenance of, the Premises and all areas appurtenant thereto, including any portion of the common areas used by Tenant, to afford protection with respect to bodily injury, death or property damage (including loss of use) of not less than One Million Dollars (\$1,000,000) each occurrence/Two Million Dollars (\$2,000,000) general aggregate, and in the event property of Tenant's invitees or customers are kept in or about the Premises, warehouse's legal liability or bailee customers insurance for the full value of the property of such invitees or customers; (ii) an all-risks property and casualty insurance (special form building and personal property coverage) policy, including theft coverage, written at replacement cost value with replacement cost endorsements, covering all of the Tenant's property; (iii) a worker's compensation insurance policy with applicable statutory limits, including a waiver of subrogation in favor of Landlord, (iv) automobile liability insurance with single limit coverage of at least \$1,000,000 for all owned, leased/hired or non-owned vehicles, (v) an excess/umbrella liability policy "following form" of not less than Two Million Dollars (\$2,000,000), including a "drop down" feature in case the limits of the primary policy are exhausted, and (vi) in the event Tenant will generate, handle or store Hazardous Material (as defined in Paragraph 26 below) at the Premises, pollution legal liability insurance of not less than One Million Dollars (\$1,000,000). All such policies shall be occurrence based and shall provide primary/ non-contributory

coverage to Landlord (any policy issued to Landlord providing duplicate or similar coverage shall be deemed excess over Tenant's policies), and shall be procured by Tenant from responsible insurance companies satisfactory to Landlord that are rated no less than A-, Class VII, by A.M. Best Company. All commercial general liability, automobile liability and, if applicable, warehouse's legal liability or bailee customers insurance policies shall include an "Additional Insured Endorsement" and a "Waiver of Subrogation Endorsement" in favor of Landlord, its affiliated companies, as well as the employees, officers, directors and agents of such companies and any other designees of Landlord. The limits and types of insurance maintained by Tenant shall not limit Tenant's liability under this Lease. Landlord may also require all contractors performing work at the Premises for Tenant to provide in addition to the insurance coverages referenced above such other insurance in amounts and types and with such companies as may be reasonably requested by Landlord, including, without limitation, construction all risk/builder's risks (including loss of revenue) insurance, professional errors and omissions liability insurance, and insurance covering such contractor's equipment and tools. Certificates of insurance in a form reasonably satisfactory to Landlord, or certified copies of the policies, shall be furnished to Landlord on or before the earlier of the Commencement Date or ten (10) days after execution of the Lease, reflecting the limits and endorsements required herein, and renewal certificates or certified copies of renewal policies shall be delivered to Landlord at least ten (10) days prior to the expiration date of any policy. Each policy shall require notice of nonrenewal to Landlord and shall further provide that it may not be altered or canceled without thirty (30) days prior notice to Landlord. Landlord agrees to cooperate with Tenant to the extent reasonably requested by Tenant to enable Tenant to obtain such insurance. Landlord shall have the right to require increased limits and/or specific additional coverages if, in Landlord's reasonable judgment, either is necessary. If Tenant fails to comply with the foregoing requirements relating to insurance, in addition to any other remedies Landlord may possess under this Lease, Landlord may, but shall not be obligated to, obtain such insurance following ten (10) days written notice to Tenant, and Tenant shall pay to Landlord within thirty (30) days of receipt of invoice the premium cost thereof.

(c) Any and all covenants of Landlord contained in this Lease shall be binding upon Landlord and its successors only with respect to breaches occurring during its or their respective periods of ownership of the Landlord's interest hereunder. Notwithstanding anything to the contrary contained herein, the liability of Landlord to Tenant for any default by Landlord under the terms of this Lease shall be limited to Landlord's interest in the Project, and Tenant agrees to look solely to Landlord's interest in the Project, of which the Premises is a part, for the recovery of any judgment against Landlord, it being intended that Landlord shall not be personally liable for any judgment or deficiency. Notwithstanding anything to the contrary contained herein, in no event shall Landlord be liable for special, incidental, consequential, exemplary or punitive damages. Before filing suit for an alleged default by Landlord, Tenant shall give Landlord, and any mortgagee of the Building of whom Tenant has been notified, notice and reasonable time to cure the default.

13. CONDEMNATION.

(a) If the whole or any substantial part of the Premises, in Landlord's reasonable opinion, should be taken for any public or quasi-public use under governmental law, ordinance or regulation, or by right of eminent domain, or by private purchase in lieu thereof, and the taking would prevent or materially interfere with the use of the Premises for the purpose for which they are being used, this Lease shall terminate and the Rent shall be abated during the unexpired portion of this Lease, effective when the physical taking of said Premises shall occur.

(b) If less than a substantial part of the Premises, in Landlord's reasonable opinion, shall be taken for any public or quasi-public use under any governmental law, ordinance or regulation, or by right of Eminent Domain, or by private purchase in lieu thereof, this Lease shall not terminate, but the Rent payable hereunder during the unexpired portion of this Lease shall be reduced by an amount proportional to the amount of square footage taken.

(c) All compensation awarded in connection with or as a result of any of the foregoing proceedings shall be the property of Landlord and Tenant hereby assigns any interest in any such award to Landlord; provided, however, Landlord shall have no interest in any separate award made to Tenant for loss of business or goodwill or for the taking of Tenant's fixtures and improvements, if a separate award for such items is made to Tenant.

14. HOLDING OVER. At the termination of this Lease by expiration or otherwise, Tenant shall remove all of Tenant's trade fixtures and other items of personal property from the Premises and shall deliver possession to Landlord with all repairs and maintenance required herein to be performed by Tenant completed. If Tenant does not remove its property prior to termination, then, in addition to its other remedies at law or in equity, Landlord shall have the right to consider the property abandoned and such property may be removed by Landlord, at Tenant's expense, or at Landlord's option become Landlord's property, and Tenant shall have no further rights relating thereto or for

reimbursement therefor. If, for any reason, Tenant retains possession of the Premises after the expiration or termination of this Lease, unless the parties hereto otherwise agree in writing, such possession shall be deemed to constitute a default by Tenant under the Lease, and all of the other terms and provisions of this Lease shall be applicable during such period, except that Tenant shall pay Landlord from time to time, upon demand, as rental for the period of any hold over, an amount equal to One Hundred and Fifty Percent (150%) of the Rent in effect on the expiration or termination date, computed on a daily basis for each day of the hold over period. No holding over by Tenant, whether with or without consent of Landlord, shall operate to extend this Lease except as otherwise expressly agreed in writing by Landlord. Tenant shall indemnify and hold Landlord harmless from any direct, indirect, consequential or incidental costs or expenses due to Tenant's holding over. The preceding provisions of this Paragraph 14 shall not be construed as Landlord's consent for Tenant to hold over.

15. QUIET ENJOYMENT. Landlord covenants that it now has, or will acquire before Tenant takes possession of the Premises, good title to the Premises, free and clear, of all liens and encumbrances, excepting only the lien for current taxes not yet due, such mortgage or mortgages as are permitted by the terms of this Lease, zoning ordinances and other building and fire ordinances and governmental regulations relating to the use of such property, and easements, restrictions and other conditions of record. Landlord represents and warrants that it has full right and authority to enter into this Lease and that Tenant upon paying the Rent herein set forth and performing its other covenants and agreements herein set forth, shall peaceably and quietly enjoy the Premises for the Term hereof without hindrance or molestation from Landlord, subject to the terms and provisions of this Lease.

16. EVENTS OF DEFAULT. The following events shall be deemed to be events of default by Tenant under this Lease:

(a) Tenant shall fail to pay any installment of the Rent hereby reserved when due, or any other payment or reimbursement to Landlord required herein, and such failure shall continue for a period of five (5) days from the date Landlord gives Tenant written notice that such amount is due; provided, however, Tenant shall not be entitled to more than one (1) such notice during any twelve (12) month period, and if after such notice any Rent or other payment due hereunder is not paid within five (5) days of when due, an event of default will be considered to have occurred without notice.

(b) Tenant shall become insolvent, or shall make a transfer in fraud of creditors, or shall make an assignment for the benefit of creditors.

(c) Tenant shall file a petition, voluntary or involuntary, in bankruptcy or under any similar law or statute of the United States or any State thereof, or Tenant shall be adjudged bankrupt, or insolvent in proceedings filed against Tenant thereunder.

(d) A receiver or trustee shall be appointed for all or substantially all of the assets of Tenant.

(e) Tenant shall fail to comply with any term, provision or covenant of this Lease (other than the foregoing in this Paragraph 16) within the time period in which such term, provision or covenant is required to be performed by the terms of this Lease, or, if no time period is specified for performance, within twenty (20) days after written notice of such failure to Tenant.

(f) Tenant shall remain in possession of the Premises after the expiration or termination of the Lease Term, unless Landlord shall have consented to such possession in writing.

17. REMEDIES. Upon the occurrence of an event of default described in Paragraph 16 hereof, Landlord shall have the option to pursue any one or more of the following remedies without any notice or demand:

(a) Terminate this Lease, in which event Tenant shall immediately surrender the Premises to Landlord, and if Tenant fails so to do, Landlord may, without prejudice to any other remedy which it may have for possession or arrearages in Rent, enter upon and take possession of the Premises and expel or remove Tenant or any other person who may be occupying such Premises or any part thereof, without being liable for prosecution or any claim of damages therefor; and Tenant agrees to pay to Landlord on demand the amount of any loss and damage which Landlord may suffer by reason of such termination, whether through inability to relet the Premises on satisfactory terms or otherwise.

(b) Enter upon and take possession of the Premises without termination of this Lease and expel or remove Tenant and any other person who may be occupying such Premises or any part thereof, without being liable for prosecution or

any claim of damages therefor; and relet the Premises and receive the rent therefor; and Tenant agrees to pay to the Landlord on demand any deficiency that may arise by reason of such reletting. In the event Landlord is successful in reletting the Premises at a rental in excess of that agreed to be paid by Tenant pursuant to the terms of this Lease, Landlord and Tenant each mutually agree that Tenant shall not be entitled, under any circumstances, to such excess rental, and Tenant does hereby specifically waive any claim to such excess rental.

(c) Terminate this Lease and treat the event of default as an entire breach of this Lease and Tenant immediately shall become liable to Landlord for damages for the entire breach in the amount equal to the amount of additional Rent which would be payable by Tenant during the unexpired balance of the Term of this Lease and all other payments due for the balance of the Term. In the event Landlord is successful in reletting the Premises during the unexpired balance of the Term of the Lease, Landlord shall offset the rent received by Landlord for such unexpired portion of the Term as a result of any reletting against the amount of additional Rent owed by Tenant. Landlord and Tenant each mutually agree that Tenant shall not be entitled, under any circumstances, to any excess rental obtained by Landlord as a result of any reletting, and Tenant does hereby specifically waive any claim to such excess rental. Such amount shall be due and payable upon Landlord's notice to Tenant of termination of the Lease and shall bear interest until paid at the maximum annual rate permitted by law.

(d) Enter upon the Premises, without being liable for prosecution or any claim of damages therefor, and do whatever Tenant is obligated to do under the terms of this Lease; and Tenant agrees to reimburse Landlord on demand for any expenses which Landlord may incur in thus effecting compliance with Tenant's obligations under this Lease, and Tenant further agrees that Landlord shall not be liable for any damages resulting to the Tenant from such action, whether caused by the negligence of Landlord or otherwise.

(e) Alter locks and other security devices at the Premises without being liable for prosecution or any claim of damages therefor, and such alteration of locks and security devices shall not be deemed unauthorized or constitute a conversion.

(f) Receive payment from Tenant, in addition to any sum provided to be paid above, for any and all of the following expenses for which Tenant shall be considered liable:

1. Broker's fees incurred by Landlord in connection with reletting the whole or any part of the Premises;
2. The cost of removing and storing Tenant's or other occupant's property;
3. The cost of repairing, altering, remodeling or otherwise putting the Premises into condition, acceptable to a new tenant or tenants, plus a reasonable charge to cover Landlord's overhead; and
4. All reasonable expenses incurred by Landlord in enforcing Landlord's remedies.

In the event Tenant fails to pay any installment of Rent hereunder within five (5) days after such installment is due, to help defray the additional cost to Landlord for processing such late payments Tenant shall pay to Landlord on demand a late charge in an amount equal to five percent (5%) of such installment; and the failure to pay such late charges within ten (10) days after demand therefor shall be an event of default hereunder. The provision for such late charge shall be in addition to all of Landlord's other rights and remedies hereunder or at law and shall not be construed as liquidated damages or as limiting Landlord's remedies in any manner. All amounts payable by Tenant to Landlord under this Lease, if not paid when due, shall bear interest from the date due until paid at a rate equal to the lesser of ten percent (10%) per annum, compounded monthly, or the then maximum lawful rate. Notwithstanding the foregoing, Tenant shall receive one (1) waiver of the late charge per calendar year provided the past due amount is paid within five (5) days of the date of Landlord's written notice.

Pursuit of any of the foregoing remedies shall not preclude pursuit of any of the other remedies herein provided or any other remedies provided by law, nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any Rent due to Landlord hereunder or of any damages accruing to Landlord by reason of the violation of any of the terms, provisions and covenants herein contained. No act or thing done by the Landlord or its agents during the Term hereby granted shall be deemed a termination of this Lease or an acceptance of the surrender of the Premises, and no agreement to terminate this Lease or to accept a surrender of said Premises shall be valid unless in writing and signed by Landlord, no waiver by Landlord of any violation or breach of any of the terms, provisions and covenants herein contained shall be deemed or construed to constitute a waiver of any other violation or breach of any of the other terms, provisions and covenants herein contained. Landlord's acceptance of the payment of rental or other payments

hereunder after the occurrence of an event of default shall not be construed as a waiver of such default, unless Landlord so notifies Tenant in writing. Forbearance by Landlord to enforce one or more of the remedies herein provided upon an event of default shall not be deemed or construed to constitute a waiver of such default or of any subsequent default. If, on account of any breach or default by Tenant in Tenant's obligations under the terms and conditions of this Lease, it shall become necessary or appropriate for Landlord to employ or consult with an attorney concerning any of Landlord's rights or remedies hereunder or to enforce or defend any of the Landlord's rights or remedies hereunder, Tenant agrees to pay any reasonable attorneys fees so incurred.

18. Intentionally omitted.

19. MORTGAGES. This Lease shall be subordinate to any deed of trust, mortgage, or other security instrument (a "Mortgage"), that hereafter covers all or any part of the Premises or the Project; provided, however, that any such subordination of this Lease to any Mortgage shall be conditioned upon the written agreement by Landlord's Mortgagee (as hereinafter defined) not to disturb the possession of Tenant and to recognize Tenant's rights hereunder in the event such Mortgagee obtains possession of the Building through foreclosure or otherwise for so long as Tenant is not in default hereunder. The mortgagee under any Mortgage is referred to herein as "Landlord's Mortgagee".

Tenant shall attorn to any party succeeding to Landlord's interest in the Premises, whether by purchase, foreclosure, deed in lieu of foreclosure, power of sale, termination of lease, or otherwise, upon such party's request, and shall execute such agreements confirming such attornment as such party may reasonably request. In the event of such request and upon Tenant's attornment as aforesaid, Tenant will automatically become the tenant of the successor to Landlord's interest without change in the terms or provisions of this Lease; provided, however, that such successor to Landlord's interest shall not be bound by (a) an payment of Rent for more than one month in advance (except prepayments for security deposits, if any), (b) any amendments or modifications of this Lease made without the prior written consent of Landlord's Mortgagee if Tenant was advised on the interest of the same, or (c) any credits, offsets, defenses or claims which Tenant may have against Landlord.

Tenant shall not seek to enforce any remedy it may have for any default on the part of the Landlord without first giving written notice by certified mail, return receipt requested, specifying the default in reasonable detail, to any Landlord's Mortgagee, whose address has been given to Tenant, and affording such Landlord's Mortgagee a reasonable opportunity to perform Landlord's obligations hereunder. Subject to the provisions of Paragraph 12 hereof, Landlord reserves the right, without notice to or consent of the Tenant, to assign this Lease and/or any and all Rent hereunder as security for the payment of any Mortgage.

Tenant agrees at any time and from time to time during the Term to execute, acknowledge and deliver to Landlord and/or Landlord's designee, within seven (7) days of any request by Landlord, a statement or statements, in writing, certifying (if such be true) that a copy of this Lease and any amendments hereto are true and correct copies, this Lease is unmodified and in good standing (or if modified, then in good standing as modified, stating the modification), the date to which all Rent and other charges hereunder have been paid in advance, and any other items reasonably requested of Tenant. From time to time, Tenant shall furnish to any Landlord's Mortgagee, within ten (10) days after a request therefor, such estoppel certificates, non-disturbance and attornment agreements, or other certificates as Landlord's Mortgagee may reasonably request.

20. LANDLORD'S DEFAULT.

(a) In the event Landlord should default in any of its obligations hereunder, Tenant shall simultaneously give Landlord and Landlord's Mortgagee written notice specifying such default and Landlord shall thereupon have thirty (30) days (plus an additional reasonable period as may be required in the exercise by Landlord of due diligence) in which to cure any such default. In addition, Landlord's Mortgagee shall have the right (but not the obligation) to cure or remedy such default during the period that is permitted to Landlord hereunder, and Tenant will accept such curative or remedial action taken by Landlord's Mortgagee with the same effect as if such action had been taken by Landlord.

(b) Upon the failure of Landlord or Landlord's Mortgagee to cure such default in accordance with the provisions of Paragraph 20(a) hereof, Tenant shall be authorized and empowered to perform the obligations which Landlord failed to perform, and the reasonable actual out-of-pocket third party costs incurred by Tenant in so doing, together with any interest or penalty required to be paid in connection therewith, shall be payable on demand by Landlord to Tenant. Tenant's exclusive remedy shall be self-help as set forth herein and an action for damages against Landlord.

21. ASSIGNMENT BY LANDLORD. Landlord shall have the right to assign or transfer, in whole or in part every feature of its rights and obligations hereunder and the Premises provided such assignee or transferee recognizes and agrees to be bound by the terms of this Lease. Such assignments or transfers may be made to a corporation, trust, trust company, individual or group of individuals, and howsoever made shall be in all things respected and recognized by Tenant.

22. DISCLAIMER. This Lease and the obligation of Tenant to pay Rent hereunder and perform all of the other covenants and agreements hereunder on the part of the Tenant to be performed shall not be affected, impaired or excused because Landlord is unable to fulfill any of its covenants and obligations under this Lease, expressly or impliedly to be performed by Landlord, if Landlord is prevented or delayed from doing so by reason of strikes, labor troubles, accident, adjustment of insurance, or by any reason or cause whatsoever reasonably beyond Landlord's control. Reasons beyond Landlord's control shall include, but not be limited to, laws, governmental preemption in connection with a National Emergency or by any reason of any rule, order or regulation of any governmental agency, federal, state, county or municipal authority or any department or subdivision thereof, or by reason of the conditions of supply and demand which have been or are affected by war or other emergency.

23. MECHANIC'S LIENS. Tenant shall have no authority, express or implied, to create or place any lien or encumbrance, of any kind or nature whatsoever, upon, or in any manner to bind, the interest of Landlord in the Premises for any claim in favor of any person dealing with Tenant, including those who may furnish materials or perform labor for any construction or repairs, and each such claim shall affect and each such lien shall attach to, if at all, only the leasehold interest granted to Tenant by this instrument. Tenant covenants and agrees that it will pay or cause to be paid all sums legally due and payable by it on account of any labor performed or materials furnished in connection with any work performed on the Premises on which any lien is or can be validly and legally asserted against its leasehold interest in the Premises or the improvements thereon, and that it will save and hold Landlord harmless from any and all loss, cost or expense based on or arising out of asserted claims or liens against the leasehold estate, or against the right, title and interest of the Landlord in the Premises or under the terms of this Lease. In the event any such lien is attached to the Premises or any portion thereof, Tenant shall cause the same to be discharged of record within twenty (20) days after filing of same.

24. NOTICES. Each provision of this instrument or of any applicable governmental laws, ordinances, regulations and other requirements with reference to the sending, mailing or delivery of any notice or the making of any payment by Landlord to Tenant or with reference to the sending, mailing or delivery of any notice or the making of any payment by Tenant to Landlord shall be deemed to be complied with when and if the following steps are taken:

(a) All Rent and other payments required to be made by Tenant to Landlord hereunder shall be payable to Landlord at the address hereinbelow set forth or at such other address as Landlord may specify from time to time by written notice delivered in accordance herewith. Tenant's obligation to pay Rent and any other amounts to Landlord under the terms of this Lease shall not be deemed satisfied until Rent and other amounts have been actually received by Landlord.

(b) All payments required to be made by Landlord to Tenant hereunder shall be payable to Tenant at the address hereinbelow set forth, or at such other address within the continental United States as Tenant may specify from time to time by written notice delivered in accordance herewith.

All parties included within the terms "Landlord" and "Tenant", respectively, shall be bound by notices given in accordance with the provisions of this Paragraph to the same effect as if each had received such notice.

25. MISCELLANEOUS.

(a) Words of any gender used in this Lease shall be held and construed to include any other gender and words in the singular number shall be held to include the plural, unless the context otherwise requires.

(b) The terms, provisions, covenants and conditions contained in this Lease shall apply to, inure to the benefit of, and be binding upon, the parties hereto and upon their respective heirs, legal representatives, successors and permitted assigns except as otherwise herein expressly provided.

(c) Because the Premises are on the open market and are presently being shown, this Lease shall be treated as an offer with the Premises being subject to prior lease and such offer subject to withdrawal or non-acceptance by Landlord or to other use of the Premises without notice, and this Lease shall not be valid or binding unless and until accepted by Landlord in writing and a fully executed copy delivered to both parties.

(d) The captions inserted in this Lease are for convenience only and in no way define, limit or otherwise describe the scope or intent of this Lease, or any provision hereof, or in any way affect the interpretation of this Lease.

(e) All obligations of Tenant hereunder not fully performed upon the expiration or earlier termination of the Term of this Lease shall survive the expiration or earlier termination of the Term hereof, including, without limitation, all payment obligations with respect to taxes and insurance and all obligations concerning the condition of the Premises. Upon the expiration or earlier termination of the Term hereof, and prior to Tenant vacating the Premises, Tenant shall pay to Landlord the amount, if any, reasonably estimated by Landlord as necessary to put the Premises, including, without limitation, all heating and air conditioning systems and equipment therein, in good condition and repair, reasonable wear and tear excepted. Tenant shall also, prior to vacating the Premises, pay to Landlord the amount, if any, as reasonably estimated by Landlord, of Tenant's proportionate share of Taxes and insurance premiums for the pro-rata portion of the year in which the Lease expires or terminates. All such amounts shall be used and held by Landlord for payment of such obligations of Tenant hereunder, with Tenant being liable for any additional costs therefor upon demand by Landlord, or with any excess to be returned to Tenant after all such obligations have been determined and satisfied, as the case may be. Any security deposit held by Landlord shall be credited against the amount payable by Tenant under this Paragraph 25(e).

(f) If any clause or provision of this Lease is illegal, invalid or unenforceable under present or future laws effective during the Term of this Lease, then and in that event, it is the intention of the parties hereto that the remainder of this Lease shall not be affected thereby, and it is also the intention of the parties to this Lease that, in lieu of each clause or provision of this Lease that is illegal, invalid or unenforceable, there be added as a part of this Lease contract a clause or provision as similar in terms to such illegal, invalid or unenforceable clause or provision as may be possible and be legal, valid and enforceable.

(g) The Effective Date of this Lease shall be the date on which the last of Landlord or Tenant has executed this Lease. All references in this Lease to "the date hereof" or similar references shall be deemed to refer to the Effective Date.

(h) This Lease may not be altered, changed or amended except by an instrument in writing signed by both parties hereto.

(j) Each party agrees to furnish to the other, promptly upon demand, a corporate resolution, proof of due authorization by partners, or other appropriate documentation evidencing the due authorization of such party to enter into this Lease.

(k) This Lease may be signed in any number of counterparts, each of which shall be an original for all purposes, but all of which taken together shall constitute only one agreement. The production of any executed counterpart of this Lease shall be sufficient for all purposes without producing or accounting for the other counterparts hereof. Telecopied signatures or scanned and electronically transmitted signatures may be used in place of original signatures on this Lease. Landlord and Tenant intend to be bound by the signatures on the telecopied document or electronic transmission, are aware that the other party will rely on such signatures, and hereby waive any and all defenses to the enforcement of the terms of this Lease based on the form of signature.

26. HAZARDOUS MATERIALS. Except as stated in Section 3 above, at all times during the Term of this Lease, Tenant covenants and agrees that Tenant shall not cause or permit any Hazardous Material to be brought upon, kept, or used in or about the Premises by Tenant, its agents, employees, customers, clients, invitees, licensees, or contractors without the express prior written consent of Landlord. As used herein, the term "Hazardous Material" means any pollutant, toxic substance, hazardous waste, hazardous material, hazardous substance, or oil as defined in or pursuant to the Resource Conservation and Recovery Act, as amended, the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, the Federal Clean Water Act, as amended, or any other federal, state, or local environment law, regulation, ordinance, rule, or bylaw, whether existing as of the date hereof, previously in force, or subsequently enacted. Tenant shall indemnify, defend and hold the Premises and Landlord, its agents, directors, officers, shareholders, partners, employees and affiliates, assigns and successors to Landlord's interest in the Premises, free and harmless from and against any and all loss, cost, damage, expense (including attorney's fees), claim, cause of action, judgment, penalty, fine or liability (including, without limitation diminution in the value of the Premises or any portion thereof, damages for the loss or restriction on use of rentable or usable space within the Premises), or of any amenity of the Premises and damages arising from any adverse impact on the marketing of space within the Premises, arising from the use, generation, storage, transportation, handling or disposal of Hazardous Materials by Tenant or any of Tenant's agents, in, on or about the Premises during the Term of this Lease or any extension thereof. Tenant's obligations pursuant to the foregoing indemnity shall survive the expiration or sooner termination of this Lease and shall bind Tenant's successors and assigns and inure to the benefit of Landlord's successors and assigns. Tenant's indemnification shall include and cover without by way of limitation, any and all costs incurred in connection with any investigation of site conditions or any clean-up, remedial removal or restoration work required by federal, state or local government agency or political subdivision because of the use, generating, storage, transportation, handling or disposal of Hazardous Materials by Tenant or Tenant's agents in, on or about the Premises. Any costs or expenses incurred by Landlord for which Tenant is responsible or for which Tenant has indemnified Landlord shall be reimbursed by Tenant upon demand as additional rent.

At Tenant's sole cost and expense, Tenant may conduct a non-invasive environmental assessment of the Premises in order to establish a "base-line" of the environmental condition of the Premises as of Tenant's commencement of occupancy of the Premises. The scope of such assessment shall be subject to Landlord's prior written approval, which shall not be unreasonably withheld. Tenant agrees to deliver to Landlord a written copy of the report prepared relative to such environmental assessment within fifteen (15) days of Tenant's receipt of same. Tenant agrees to maintain the results of such environmental assessment confidential and not to disclose or release the results of such environmental assessment to any third parties or governmental agencies without Landlord's prior written consent unless such disclosure is required by applicable law or regulation or in the event of a dispute between Landlord and Tenant relating to the environmental condition of the Premises; provided, however, Tenant shall notify Landlord of such disclosure at the time of such disclosure.

27. BROKERAGE. Tenant represents and warrants that it has dealt with no broker, agent or other person in connection with this transaction and that no broker, agent or other person brought about this transaction, other than Holt Lunsford Commercial, Inc. representing Tenant and Stream Realty Partners – DFW, L.P. representing Landlord, and Tenant agrees to indemnify and hold Landlord harmless from and against any claims by any other broker, agent or other person claiming a commission or other form of compensation by virtue of having dealt with Tenant with regard to this leasing transaction. The provisions of this Paragraph, in addition to all of Tenant's indemnities and covenants expressly set forth in this Lease, shall survive the termination of this Lease.

28. SECURITY. Any and all security of any kind for Tenant, Tenant's agents, employees or invitees, the Premises, or any personal property thereon (including, without limitation, any personal property of any sublessee) shall

be the sole responsibility and obligation of Tenant, and shall be provided by Tenant at Tenant's sole cost and expense. Tenant acknowledges and agrees that Landlord shall have no obligation or liability whatsoever with respect to the same. Tenant shall indemnify and hold Landlord harmless from and against any and all loss, cost, damage or other liability arising directly or indirectly from security measures or the absence thereof with respect to the Premises and the Building or the Project of which the Premises are a part. Tenant may, at Tenant's sole cost and expense, install alarm systems in the Premises provided such installation complies with the provisions of Paragraph 6 hereof. Removal of such alarm systems shall be Tenant's sole responsibility and, at Tenant's sole cost and expense, shall be completed prior to Lease termination and all affected areas of the Premises shall be repaired and/or restored in a good and workmanlike manner to the condition that existed prior to such installation. Notwithstanding the foregoing, Landlord may elect in Landlord's sole discretion to contract for common security services, to whatever extent Landlord may deem appropriate, for the Building or the Project of which the Premises are a part, provided, however Tenant acknowledges and agrees that Landlord shall in no event be obligated to provide any such services and the provision of such services shall not alter or modify Tenant's indemnification of Landlord or the obligation of Tenant to provide its own security as set forth herein. The cost of any security services contracted for by Landlord shall be treated as an operating expense pursuant to Paragraph 2 hereof.

29. **PATRIOT ACT.** Each party hereby represents, warrants and certifies that: (i) neither it nor its officers, directors, or controlling owners is acting, directly or indirectly, for or on behalf of any person, group, entity, or nation named by any Executive Order, the United States Department of Justice, or the United States Treasury Department as a terrorist, "Specifically Designated National or Blocked Person," or other banned or blocked person, entity, nation, or transaction pursuant to any law, order, rule or regulation that is enforced or administered by the Office of Foreign Assets Control ("SDN"); (ii) neither it nor its officers, directors or controlling owners is engaged in this transaction, directly or indirectly on behalf of, or instigating or facilitating this transaction, directly or indirectly on behalf of, any such person, group, entity, or nation; and (iii) neither it nor its officers, directors or controlling owners is in violation of Presidential Executive Order 13224, the USA PATRIOT Act, (Public Law 107-56), the Bank Secrecy Act, the Money Laundering Control Act or any regulations promulgated pursuant thereto. Each party hereby agrees to defend, indemnify and hold harmless the other party, its agents, directors, officers, shareholders, partners and employees from and against any and all claims, damages, losses, risks, liabilities and expenses (including reasonable attorneys' fees and costs) arising from or related to any breach of the foregoing representations, warranties and certifications by the indemnifying party. The provisions of this Paragraph shall survive the expiration or earlier termination of this Lease.

30. Intentionally omitted.

31. **ADDITIONAL PROVISIONS.** The provisions contained in this Paragraph 31 shall supplement, modify and be in addition to the terms and conditions contained in the remainder of this Lease, and shall control in the event of a conflict with such other terms and provisions.

31A. Tenant Improvements. (a) Tenant has inspected and agrees to accept the Premises on an "as is" basis with the exception that Landlord shall cause the construction of the following improvements to the Premises using Landlord's standard materials and finishes and otherwise in accordance with plans mutually agreed upon by Landlord and Tenant (the "Landlord Work"):

- Mutually agreed upon improvements in accordance with plans to be attached hereto, excluding all mechanical, engineering and plumbing ("MEP") work and materials, which shall be provided by Tenant.

In addition, Tenant shall, at its expense, perform the following improvements to the Premises (the "Tenant Work"):

- All MEP work and materials.

b) The Landlord Work and the Tenant Work are hereinafter referred to collectively as the "Improvements". Landlord shall provide a tenant improvement allowance of up to \$28.00 per square foot of the Premises (\$619,556.00) (the "Improvement Allowance") to be applied toward the costs associated with construction of the Improvements, including, but not limited to, construction costs, architectural fees, engineering fees, permitting fees and construction management fees. Landlord shall also make available to Tenant an additional allowance of up to \$2.00 per square foot of the Premises (\$44,254.00) (the "Additional Allowance") which Tenant may apply to the cost of the Improvements. The amount of the Additional Allowance actually applied to the cost of the Improvements shall be fully amortized over the Lease Term at an annual interest rate of 7.0% and paid to Landlord as additional monthly Base Rent. Any and all costs associated with the construction of the Improvements in excess of the Improvement Allowance and Additional Allowance shall be the sole responsibility of Tenant. Tenant shall pay to Landlord any estimated costs in excess of the

Improvement Allowance and Additional Allowance (the "Excess Cost") prior to the commencement of the construction of any item which contributes to such Excess Cost.

c) If Tenant shall desire any changes in the Improvements, Tenant shall so advise Landlord in writing and Landlord shall determine whether such changes can be made in a reasonable and feasible manner. Any and all costs of reviewing any requested changes, and any and all costs of making any changes to the Improvements which Tenant may request and which Landlord may agree shall be at Tenant's sole cost and expense and shall be paid to Landlord upon demand and before execution of the change order.

d) Landlord shall proceed with and complete the construction of the Landlord Work on or before the Commencement Date. Within fifteen (15) days after the Effective Date of this Lease, Tenant shall provide a final space plan for the Improvements and make its finish selections. If Landlord has not Substantially Completed the Landlord Work on or before the Commencement Date, and provided such failure is not the result of delays caused by Tenant, its employees, agents or contractors, or by events outside of Landlord's reasonable control, the Commencement Date shall be postponed until Landlord has Substantially Completed the Landlord Work. If substantial completion of the Landlord Work is delayed by the actions of Tenant, its employees, agents or contractors, or by events beyond Landlord's reasonable control, the Commencement Date shall not be postponed. As soon as the Improvements have been Substantially Completed, Landlord shall notify Tenant in writing of the date that the Tenant Improvements were Substantially Completed. The Improvements shall be deemed substantially completed ("Substantially Completed") when, in the reasonable judgment of the construction manager (whether an employee or agent of the Landlord or a third party construction manager), the Premises are substantially completed except for punch list items which do not prevent in any material way the use of the Premises for the purposes for which they were intended.

e) The failure of Tenant to take possession of or to occupy the Premises shall not serve to relieve Tenant of the obligations arising on the Commencement Date or delay the payment of rent by Tenant. Subject to applicable ordinances and building codes governing Tenant's right to occupy or perform in the Premises. Tenant shall be allowed to install its Tenant Improvements, machinery, equipment, fixtures, or other property on the Premises during the final stages of completion of construction provided that Tenant does not thereby interfere with the completion of construction or cause any labor dispute as a result of such installations, and provided further that property, and all liability, loss, or damage arising from any injury to the Project or the property of Landlord, its contractors, subcontractors, or materialmen, and any death or personal injury to any person or persons arising out of such installations. Delay in putting Tenant in possession of the Premises shall not make Landlord liable for any damages arising therefrom.

f) Except for incomplete punch list items, Tenant upon the Commencement Date shall have and hold the Premises as the same shall then be without any liability or obligation on the part of the Landlord for making any further alterations or improvements of any kind in or about the Premises.

31C. Tenant Signage / Identity. Tenant will be allowed to place signage, at Tenant's sole cost, upon the Building provided such signage conforms to the Signage Criteria attached hereto as Exhibit "C". The design and placement of the sign must be approved by the Landlord.

31D. Tenant's Financial Statements. No more than one time per year, within ten (10) days after written request from Landlord, Tenant shall deliver to Landlord such financial statements as are reasonably required by Landlord to verify the net worth of Tenant, or any assignee, subtenant, or guarantor of Tenant. In addition, Tenant shall deliver to any lender designated by Landlord any financial statements required by such lender to facilitate the financing or refinancing of the Premises or the Project. Tenant represents and warrants to Landlord that each such financial statement is a true and accurate statement as of the date of such statement. All financial statements shall be confidential and shall be used only for the purposes set forth herein.

31E. Renewal Option. Landlord hereby grants to Tenant the right and option to renew and extend the term of this Lease for two (2) terms of sixty (60) months (the "Renewal Period"). In the event Tenant elects to exercise the option described herein, all terms and conditions of this Lease shall continue in full force and effect except as set forth in this Paragraph.

The monthly rent to be paid during the Renewal Period (the "Renewal Rate") shall be the fair market value of the Premises as determined by the market rental rate for buildings comparable to the Project, at the commencement of the Renewal Period, for space of equivalent quality, size, utility and location, with the length of the Renewal Period and the credit standing of Tenant to be taken into account.

Notice of Tenant's intention to exercise the option must be given to Landlord in writing not less than nine (9), nor more than twelve (12), months prior to the expiration of the primary term of this Lease, and Tenant must not be in default under this Lease at either the time that this option must be exercised or the commencement of the Renewal Period; otherwise, this Renewal Option shall be null and void and of no further force or effect. Tenant's failure to give notice of exercise of the Renewal Option shall be deemed a waiver of such option and such option will then be of no further force or effect. Landlord shall deliver written notice (the "Landlord Notice") to Tenant, within five (5) days after Landlord's receipt of a timely Renewal Option notice, which sets forth the Renewal Rate after the Landlord's reasonable determination of the fair market value of the Premises as set forth in this Paragraph. Landlord and Tenant shall negotiate in good faith to attempt to reach agreement on the Renewal Rate. If Landlord and Tenant are unable to come to an agreement as to the Renewal Rate within sixty (60) days of the Landlord Notice, then this Renewal Option shall be deemed waived and of no effect. If Landlord and Tenant agree on the Renewal Rate, Tenant shall promptly execute and deliver an amendment of the Lease in form and substance satisfactory to Landlord and Tenant to evidence the exercise of this Renewal Option and the effect thereof. In the event the Premises are sublet or assigned this renewal option will be null and void and of no further effect.

31E. Right of First Refusal. Provided Tenant is not in default under the terms of this Lease, Tenant shall have a one-time right of first refusal to lease any available space in the Building (the "ROFR Space"). In the event that, during the Term, Landlord shall engage in serious negotiations with any third party to lease all or any portion of the ROFR Space, and Landlord delivers a bona fide proposal to such third party to lease all or any portion of the ROFR Space, or Landlord receives from such third party an offer to lease all or any portion of the ROFR Space which offer Landlord desires to accept (such bona fide proposal or such offer being referred to herein as a "Proposed Offer"), then Landlord shall give Tenant written notice of the Proposed Offer, together with an offer by Landlord to lease to Tenant the portion of the ROFR Space set forth in the Proposed Offer on the same material terms and conditions as contained in the Proposed Offer. Tenant shall have ten (10) calendar days to respond to Landlord, in writing, either exercising or waiving this right of first refusal. In the event that Tenant's written response is not timely received by Landlord, Tenant will be deemed to have waived this right, and this paragraph shall be of no further force or effect. If Tenant exercises its right of first refusal option, Landlord and Tenant shall execute an amendment to this Lease setting forth the space to be added hereto and the terms of such expansion. This Right of First Refusal shall be subject to Landlord's right to first offer and lease the ROFR Space to any tenant who is then occupying or leasing such space.
